Dear Parents/Guardians

The past few months have entailed a great deal of work in the area of financial management and forward planning for MacKillop College for the new school year. At the November meeting of the MacKillop College Board, the Budget for 2011 was approved. We have endeavoured to keep school fee increases to a minimum without compromising the curriculum or pastoral care offered by MacKillop College.

The compulsory school fees approved by the MacKillop College Board for 2011 are:

	Tuition Fee per student	Faculty Resource Levy per student	Capital Development Fee \$500 per family
Year 7	\$3,291	\$305	
Year 8	\$3,291	\$305	
Year 9	\$3,550	\$325	
Year 10	\$3,550	\$325	
Year 11	\$3,851	\$345	
Year 12	\$3,851	\$345	

Discounts will continue to apply to the Tuition fee component as per the College school fee policy.

The Faculty Resource Levy is a per student compulsory fee which covers a range of resources and materials provided to students. Part of the charge is used to produce 'in-house' materials which eliminate the need to purchase some expensive text-books.

The Capital Development fee is a per family compulsory fee to assist with the ongoing capital requirements of the College.

The School Building Fund will remain a separate tax-deductible fund for voluntary contributions which assist with the on-going capital development needs of MacKillop College.

A variety of payment methods are available to assist with payment of fees.

Should any family need to discuss fee payment arrangements, please contact the Accounts Department at MacKillop College.

Yours sincerely

RORY KENNEDY
Principal
